

LE Vending

Market reviewed: United Arab Emirates | Research date: 09/10/2026

PRELIMINARY DECISION STATUS

ENHANCED VERIFICATION REQUIRED

Likely legitimate manufacturer; card contact unverified

BUYER FIT VERDICT

- Good fit for a UAE importer/distributor seeking differentiated vending and coffee kiosk products, especially if you want a broad catalog, OEM/ODM customization, and factory-direct pricing.

THE SUPPLIER IS NOT A RANDOM CARD-ONLY LEAD

its domain, products, and model pages match a substantial public footprint. For UAE buyers, that means real sourcing potential, especially for coffee and combo vending. The main risk is not existence but authority and entity mapping.

8.4 / 10

EVIDENCE SCORE

This is not a supplier quality score.

PUBLIC-SOURCE ASSESSMENT

Credible manufacturer with strong public product evidence and a legitimate official web footprint. Good commercial candidate, but the cardholder is not independently verified and should not be treated as an authorized signer without additional checks.

LE Vending

FIT FOR THIS BUYER IN UNITED ARAB EMIRATES

- Good fit for a UAE importer/distributor seeking differentiated vending and coffee kiosk products, especially if you want a broad catalog, OEM/ODM customization, and factory-direct pricing. Best fit is for channel sales into offices, malls, campuses, and hospitality venues rather than commodity reselling.

THE SUPPLIER IS NOT A RANDOM CARD-ONLY LEAD

its domain, products, and model pages match a substantial public footprint. For UAE buyers, that means real sourcing potential, especially for coffee and combo vending. The main risk is not existence but authority and entity mapping.

- Importers/distributors of commercial vending equipment
- UAE office and facility solution integrators
- Hospitality and leisure equipment resellers
- Campus/canteen and unattended retail operators
- Coffee-machine channel distributors

TARGET-MARKET READINESS

- Public evidence suggests some Mid East/UAE export presence through marketplace claims and export-market descriptions, but there is no independently verified UAE distributor or installed-base listing in the sources reviewed.

COMMERCIAL OPPORTUNITIES WORTH EXPLORING

- Coffee vending and bean-to-cup systems for office, mall, and hospitality channels in the UAE
- Combo snack-drink machines for campuses and unattended retail
- Micro-market smart devices for premium convenience-store deployments
- OEM/ODM private-label projects for regional distributors

Factory and compliance evidence

SUPPLIER CLASSIFICATION

Factory and trading company · high confidence

Directional classification from available public evidence. This is not proof of factory ownership, contact authority, exporter identity, or payment safety.

FACTORY SIGNALS

- Official factory address in Hangzhou
- Company states R&D, production, sales and service
- Assembly lines, workshops, testing center, and R&D center described
- Model pages present factory-direct language
- Public history since 2007 and manufacturing focus

TRADING-COMPANY SIGNALS

- Multiple entity/brand variants across pages and directories
- International trading entity appears in shipment data as Hangzhou Yile International Trading
- Some marketplace/directory listings are under seller or trading-style profiles

EXPORTER RELATIONSHIP

- Public pages and marketplace listings indicate exporter/manufacturer activity with overseas sales and export claims; exact exporter-of-record for any order remains unverified.

PAYMENT BENEFICIARY RELATIONSHIP

- Unknown; not evidenced by public sources. Must be checked against proforma invoice and bank details.

VERIFY NEXT

- Obtain business license and verify the exact Chinese legal name against invoice and bank beneficiary
- Request factory audit video showing signboard, production lines, and model serial plates
- Confirm Andy Sun's employment via official company email reply from published domain
- Check whether the quoted model is manufactured in-house or sold via a trading affiliate
- Verify UAE references and after-sales coverage
- Confirm export documentation name and any freight-forwarder partner from past shipments

FACTORY EVIDENCE

- Official site states factory in China at No.100 Changda Road, Yuhang Economic Development Zone, Hangzhou.
- About pages describe manufacturing, assembly lines, workshops, R&D center, warehouse, and experience since 2007.
- Third-party listing states a 30,000 sqm factory and modern assembly lines.
- Made-in-China product pages identify the supplier as a manufacturer/factory with production and R&D capabilities.

PARTNERSHIP AND CUSTOMER CLAIMS

- OEM/ODM customization
- One-stop smart retail solution
- Exports to multiple overseas markets
- Factory-direct manufacturing
- Remote management / cloud monitoring

POSITIVE PUBLIC INDICATORS

- Official website and contact page are active
- Domain on card matches official company domain
- Broad model range with public technical detail
-

- Multiple marketplace listings tie specific models to the same company
- Public history since 2007 and factory address are disclosed

CAUTION INDICATORS

- Cardholder employment and authority are not independently verified.
- Public evidence shows multiple company names/branding variants across domains and directories, requiring legal-entity confirmation.
- Some third-party directories mix addresses and years founded; these should not override the official site.
- A few pages show different contact emails and mobile numbers, so the exact channel on the card is not independently corroborated.
- Marketplace and directory listings may conflate related entities or product pages.

EVIDENCE BOUNDARY

A marketplace badge, supplier statement, factory photo, certificate logo, directory entry, or exhibition listing is not by itself proof of an owned factory or a valid certificate. Obtain current documents and verify them with the issuing body where appropriate.

Statuses describe the strength of accessible public evidence for this research run. They are not supplier approval ratings.

Questions and information required

ASK AT THE FAIR - QUICK QUESTIONS

- What exact legal entity will appear on the invoice and bank account?
- Can you confirm Andy Sun's company email on your official domain?
- Which of these products are your factory-made items versus trading listings?
- Can you share one recent UAE customer reference?
- Which payment methods do you accept for export orders?

ASK BEFORE PLACING AN ORDER

- Can you issue an invoice from the exact legal entity that matches the bank beneficiary?
- Is Andy Sun an employee of Hangzhou Yile Shangyun Robot Technology Co., Ltd., and what is his department?
- Which model is best for UAE voltage/payment/environment, and what language/payment integrations are supported?
- Do you have UAE references, installation photos, or after-sales partners?
- Can you provide CE/CB/ROHS certificates and the matching model numbers?
- What are MOQ, lead time, warranty, spare-parts terms, and shipping terms to Jebel Ali or another UAE port?
- Which products are produced in-house versus sourced from affiliates or trading channels?

INFORMATION STILL REQUIRED

- Andy Sun's current employment and authority
- Exact legal contracting entity for the card email
- Payment beneficiary name and bank account
- Whether sales5@ylvending.com is an official company mailbox
- Independent factory audit or on-site verification
- Current UAE distributor or installed base
- Shipping/logistics partners explicitly contracted for this supplier

Product relevance is based on stored public evidence and buyer context. Confirm specifications, MOQ, customization, certification, pricing, and production capability directly.

QUALIFICATION SEQUENCE

Resolve legal identity and contact authority first. Then confirm product specification, production capability, compliance documents, sample approval, contract entity, and beneficiary bank details.

Before payment and public sources

DO NOT SEND A DEPOSIT YET

Do not pay until the contracting entity, beneficiary bank account, authority of the contact, product terms, and unresolved evidence conditions have been independently confirmed. Reconfirm any changed bank details through a separately sourced official company channel.

BEFORE YOU SEND MONEY

- Verify the beneficiary company name matches the legal entity before any deposit
- Request proforma invoice on official company letterhead from a published company channel
- Confirm bank country, SWIFT, and beneficiary address against company records
- Reject changes to bank details sent only by the card contact
- Use a small first order or escrow/trade assurance if available

PRIORITY UNRESOLVED CONDITION

- Cardholder employment and authority are not independently verified.

Complete research narrative

LE Vending maps to Hangzhou Yile Shangyun Robot Technology Co., Ltd. / Yile, a long-running Hangzhou vending-machine manufacturer with official English and Chinese-facing pages on ylvending.com and levending.net. Public evidence shows a broad portfolio: bean-to-cup coffee machines, instant and Turkish coffee units, snack-and-drink combo machines, micro-market devices, ice makers, and accessories, plus OEM/ODM claims and multiple certifications. Marketplace pages attach multiple models and public prices/MOQs. The business-card email uses the same official domain, which strongly supports company affiliation, but Andy Sun's current employment and authority are not public-confirmed. Treat this as a real supplier with solid product evidence, but verify legal entity, beneficiary, and signatory before payment.
