Zhejiang Prorials Advanced Materials Co., Ltd

Market reviewed: Mexico | Research date: 28/09/2026

PRELIMINARY DECISION STATUS

ENHANCED VERIFICATION REQUIRED

Needs verification

BUYER FIT VERDICT

- Good fit for a first-time Canton Fair buyer exploring office/home-office furniture and adjustable desk products for Mexico, especially if the buyer wants ODM/OEM desk programs, price-anchored samples, and export-oriented suppliers.
- For a Mexico buyer at Canton Fair, the company sits in an approachable, price-sensitive category with visible model families, MOQ/pricing evidence, and OEM/ODM readiness.

7.0 / 10

EVIDENCE SCORE
This is not a supplier quality score.

PUBLIC-SOURCE ASSESSMENT

Promising but not yet fully verified. Strong product breadth and exporter signals exist, but the cardholder and address still need confirmation. Treat as a mid-risk sourcing lead, not a verified counterparty.

PRODUCTS FOUND

Electric Height-adjustable Desks
Single Motor Frame
Dual Motor Frame

MARKETS FOUND

Global export markets claimed by company
Europe
America

MOST IMPORTANT CAUTION

Card address differs from the public marketplace address.

RECOMMENDED NEXT ACTION

PRORIALS appears to be a real Zhejiang-based furniture manufacturer with a broad desk-frame/standing-desk catalog and some exporter signals, but the cardholder Melissa is not publicly confirmed and the card address conflicts with marketplace-listed company address.

Buyer evidence scorecard

Zhejiang Prorials Advanced Materials Co., Ltd

FIT FOR THIS BUYER IN MEXICO

- Good fit for a first-time Canton Fair buyer exploring office/home-office furniture and adjustable desk products for Mexico, especially if the buyer wants ODM/OEM desk programs, price-anchored samples, and export-oriented suppliers. Mexico-market presence was not clearly evidenced in the public results, so market-fit is product-led rather than destination-led.
- For a Mexico buyer at Canton Fair, the company sits in an approachable, price-sensitive category with visible model families, MOQ/pricing evidence, and OEM/ODM readiness. That makes it suitable for sampling, comparison, and private-label exploration—provided identity and payment details are verified first.
- Buyer segments:
 - Importers/distributors of office furniture
 - E-commerce sellers
 - Contract office furniture buyers
 - DIY/home-office retailers
 - School/student furniture buyers

Products and buyer fit

COMPANY CLASSIFICATION

- Office furniture / adjustable desks (high): Official site and marketplace pages show electric height-adjustable desks, manual desks, L-shaped desks, folding desks, workbench/workstation products, and desk frames.
- Manufacturer / factory + trading company (high): Made-in-China and Alibaba pages explicitly label the company as Manufacturer/Factory & Trading Company.
- OEM/ODM supplier (high): Official site and Made-in-China listings mention OEM/ODM and customization capabilities.

PRODUCTS SUPPORTED BY CURRENT EVIDENCE

- Electric Height-adjustable Desks
- Single Motor Frame
- Dual Motor Frame
- Gaming Desk
- Folding Desk
- L-shaped Desk
- Workbench
- Standing Desk SJZ03-22R-B3

- Standing Desk SJZ01-22R-TB02
- Standing Desk SJZ05-32R-01
- Standing Desk SJZ02-23DX-B
- Standing Desk SJZ01-22R-FG01
- Folding Desk ZDZ01-01

MARKETS FOUND

- Global export markets claimed by company
- Europe
- America
- Southeast Asia
- Australia
- Russia
- Brazil
- Africa
- Japan
- Korea

TARGET-MARKET READINESS

- No clear Mexico-specific public presence was found in the reviewed results. Public evidence supports broad global export claims, but destination-market presence in Mexico remains unresolved.

COMMERCIAL OPPORTUNITIES WORTH EXPLORING

- Explore desk systems for office/home-office resellers in Mexico
- Request OEM/ODM samples for hot models and compare price tiers
- Test whether desk frames can be bundled with tabletops for local assembly
- Ask for export packing, voltage/control options, and Spanish documentation

Factory and compliance evidence

SUPPLIER CLASSIFICATION

Factory and trading company · medium confidence

Directional classification from available public evidence. This is not proof of factory ownership, contact authority, exporter identity, or payment safety.

FACTORY SIGNALS

- Official site presents detailed product families and model pages
- Marketplace profiles label the firm Manufacturer/Factory
- OEM/ODM/customization is advertised

- Production/factory claims and equipment claims are public

TRADING-COMPANY SIGNALS

- Made-in-China explicitly labels Manufacturer/Factory & Trading Company
- Alibaba marketplace presence suggests export/sales mediation in addition to manufacturing
- Public outreach across multiple platforms and domains

EXPORTER RELATIONSHIP

- Exporter relationship is plausible and company-claimed on Global Sources and official site, but not independently verified in this run.

PAYMENT BENEFICIARY RELATIONSHIP

- Unresolved; no bank or beneficiary evidence was found.

VERIFY NEXT

- Request business license and unified social credit code
- Ask for factory ownership/lease proof for the current address
- Obtain a signed quotation from a company-domain email
- Match invoice beneficiary to legal entity
- Confirm whether Melissa is a staff member and whether she can represent the company
- Cross-check product samples against model codes on official pages

FACTORY EVIDENCE

- Official site states manufacturer focus on standing desks, desk frames, and OEM solutions.
- Made-in-China profile labels the firm Manufacturer/Factory & Trading Company.
- Public pages mention production equipment, production lines, and factory size claims.
- Marketplace pages show multiple model families with model codes and consistent product families.

TECHNICAL CLAIMS

- Standing Desk SJZ03-22R-B3 / electric height-adjustable desk family; model pages show single- or dual-motor variants, 2- or 3-stage options, customizable colors, 120×60cm top, 73–118cm height range, 80kg load; source:
- Standing Desk SJZ01-22R-TB02 / standing desk with drawer and USB port; source:
- Standing Desk SJZ05-32R-01 / L-shaped standing desk; category page shows L-shaped application and 73–118cm range, 80kg load on the Arabic localized page; source: and
- Folding Desk ZDZ01-01 / fixed-height 74cm, 50kg load, 100×50cm or 80×40cm tabletop, 15mm board thickness, foldable design reducing size by more than 50%; source:
- Single Motor Frame / single-motor desk frame for tabletops up to 120cm width, 60–80kg regular load capacity, suitable for home offices and study spaces; source:

- Made-in-China company page lists OEM/ODM service, sample availability, plant area 36,318 square meters, 867 employees, and standing-desk/height-adjustable-desk/folding-desk/office-desk main products; source:
- Alibaba product page shows SJZ01-22R-B3 with 120×60cm size, modern design, adjustable/durable/ergonomic features, metal material, box drawer storage, and OEM/ODM customization claims; source:
- Global Sources page states specialization since 2006 and product families including manual control desk, single motor desk, gaming desk, dual motor desk, L-shape desk, single motor frame, and dual motor frame; source:

COMPLIANCE AND CERTIFICATIONS

- SGS-verified items mentioned on Made-in-China company overview (not itemized in this run)

PARTNERSHIP AND CUSTOMER CLAIMS

- Founded in 2006 (company claim)
- Exported to 100+ countries and regions (company claim)
- OEM/ODM and customization available (company/marketplace claim)
- Integrated R&D, production, sales, and after-sales support (company claim)

POSITIVE PUBLIC INDICATORS

- Broad, coherent product taxonomy across official and marketplace pages
- Public model codes and pricing are visible for multiple products
- Official site provides multiple contact routes and detailed catalog pages
- Company claims OEM/ODM and export experience
- Marketplace listings are consistent with the desk-product focus

CAUTION INDICATORS

- Card address differs from the public marketplace address.
- Melissa is not independently identified on public pages in this run.
- No independently verified Mexico-market footprint found in the results reviewed.
- No confirmed payment beneficiary or bank-account relationship found.
- No independent evidence of signing authority or contract authority.
- Some public results are marketplace claims, not third-party audits.

EVIDENCE BOUNDARY

A marketplace badge, supplier statement, factory photo, certificate logo, directory entry, or exhibition listing is not by itself proof of an owned factory or a valid certificate. Obtain current documents and verify them with the issuing body where appropriate.

Statuses describe the strength of accessible public evidence for this research run. They are not supplier approval ratings.

STRONGEST FINDINGS

PRODUCT BREADTH

Company has a substantial public catalog spanning electric height-adjustable desks, manual desks, gaming desks, L-shaped desks, folding desks, workbenches, and desk frames.

OEM/ODM CAPABILITY

Both official and marketplace pages state OEM/ODM or customization support.

PUBLIC MODEL-LEVEL EVIDENCE

Model families and codes are visible (for example SJZ03-22R-B3, SJZ01-22R-TB02, SJZ05-32R-01, ZDZ01-01, SJZ02-23DX-B, SJZ01-22R-FG01).

MANUFACTURER/TRADING PROFILE

Marketplace profiles describe the company as Manufacturer/Factory & Trading Company.

EXPORT ORIENTATION

Public pages state exports to 100+ countries/regions; this is a company claim but consistent across sources.

Questions and information required

ASK AT THE FAIR - QUICK QUESTIONS

- Who should I contact for export sales?
- What is your MOQ for this model?
- Can you confirm your exact factory address?
- What are your standard payment terms?
- Can you share your latest catalog and price list?

ASK BEFORE PLACING AN ORDER

- Which legal entity issues the invoice and who is the payment beneficiary?
- Can you send your business license and factory address proof?
- Is Melissa an employee, and what is her exact department and authority?
- Which product line best suits Mexico import regulations and voltage requirements?
- Can you share your current catalog with MOQ, lead time, and FOB terms?
- Do you have Spanish-language labels/manuals for Mexico?
- Which models are best sellers in export markets similar to Mexico?
- Can you confirm whether the address is No. 299 or No. 399 on your current legal documents?
- Do you offer sample orders and what is the sample lead time?
-

- Which logistics partners do you use for export shipments?

INFORMATION STILL REQUIRED

- Verified Chinese legal registration record
- Confirmed official email/phone on company contact page
- Melissa's employment and title
- Signing authority
- Payment beneficiary name
- Mexico-specific sales presence
- Independent customer reviews tied to this exact entity
- Shipment/logistics partners explicitly documented for this company

Product relevance is based on stored public evidence and buyer context. Confirm specifications, MOQ, customization, certification, pricing, and production capability directly.

QUALIFICATION SEQUENCE

Resolve legal identity and contact authority first. Then confirm product specification, production capability, compliance documents, sample approval, contract entity, and beneficiary bank details.

Before payment and public sources

DO NOT SEND A DEPOSIT YET

Do not pay until the contracting entity, beneficiary bank account, authority of the contact, product terms, and unresolved evidence conditions have been independently confirmed. Reconfirm any changed bank details through a separately sourced official company channel.

BEFORE YOU SEND MONEY

- Confirm beneficiary name matches Zhejiang Prorials Advanced Materials Co., Ltd
- Verify bank-country consistency with the company location
- Require proforma invoice from official company domain or verified company channel
- Do not send advance payment to any individual account until beneficiary is matched
- Confirm whether payment terms are standard T/T and whether any platform escrow is used

PRIORITY UNRESOLVED CONDITION

- Card address differs from the public marketplace address.

Complete research narrative

Zhejiang Prorials Advanced Materials Co., Ltd (PRORIALS) presents as a Zhejiang-based adjustable-desk manufacturer with a broad public catalog: electric height-adjustable desks, manual desks, gaming desks, L-shaped desks, folding desks, workbenches, and desk frames. The strongest public signals come from its official site and marketplace profiles, which also claim OEM/ODM capability and export reach. Several named models are publicly visible, including SJZ03-22R-B3, SJZ01-22R-TB02, SJZ05-32R-01, SJZ02-23DX-B, SJZ01-22R-FG01, and ZDZ01-01. However, the business-card address does not match the marketplace-listed address, and Melissa is not publicly corroborated here. Use the company as a promising supplier lead, but verify address, employment, authority, and payment details before progressing.
